

MRFKC Supplementary Regulations BULLETIN 2023-03 Event 4 Supplementary Regulations

SUBJECT: Event 4 Mont Tremblant Supplementary Regulations

EFFECTIVE DATE: September 4, 2023

1. The Race Track

The circuit has 16-turns and is 1.292 km in length. The track is run in a clockwise direction.

2. Race Tires

The Series specified LeVanto and VEGA tires will be available for purchase onsite from the event host Tag Académie Karting.

<https://www.academietagkarting.com/en>

3. Fuel Specification Briggs & Stratton Classes

Fuel used by the participants must comply with the Canadian Karting Regulations.

Sonic 91 octane pump gas will be available onsite.

4. Fuel Specification Rok Classes

VP 110 will be available onsite.

5. Eligibility for Driver's without a National License

Members in good standing of ASQ or any ASN Affiliated Kart Club who do not hold a National license may enter any MRFKC class at this event provided they possess the appropriate Club-Regional Grade license, their kart meets the appropriate

technical requirements, and the driver meets the entry qualifications for their particular class.

If the Officials determine that a driver has insufficient experience or constitutes a hazard, they may order the kart and driver be removed from the event. Entry fees will be refunded. If new tires have been purchased at the Event from the designated tire distributor, the purchase price will only be refunded if the tires are unused.

6. Quiet Rule - Running of Engines Prohibition

At Mont Tremblant engines may only be run between the hours of 9:00 am and 5:00 pm. Races may need to have a reduced number of laps to meet the 5:00 pm curfew if we have unexpected delays.

Running of engines on the track property is prohibited at all times except for the following:

- a) The starting up, running in, warming up or testing of engines can only be carried out in the designated area next to the Pre-Grid.
- b) Engines may be started for one 10 second period in the designated area prior to an on-track session.
